**MEMORANDUM OF UNDERSTANDING (MOU)**  
**Agreement Retroactive to December 1, 2000 and through November 30, 2004**

The Professional and Vocational Employees Division of Teamsters Local 856, I.B.T., representing the members of the San Bruno Professional Firefighters Association and the representatives of the City of San Bruno have met and conferred in good faith regarding wages, hours, and other terms, and conditions of employment of employees in the representation unit listed in Section 1, have exchanged freely information, opinions, and proposals, and have endeavored to reach agreement on all matters relating to the employment conditions of such employees.

This agreement was reached with the assistance of a State Mediator and the tentative understanding reflects that the modifications made to the previous MOU dated December 1996 - November 2000 shall be made consistent with the City's Last, Best, and Final offer dated May 11, 2001 and including the terms and agreements from the State Mediator's Proposal dated August 7, 2001 and consistent with the letter of understanding from Teamsters Local 856 dated August 14, 2001 as reflected in Resolution Number 2001-63 approved by the City of San Bruno City Council on August 14, 2001. This Resolution and its three (3) attachments is included as Exhibit "B" in the Exhibit section of the MOU. This agreement is retroactive to December 1, 2000 and remains effective through November 30, 2004 with salary and benefit modifications effective as of dates specified in the source documents.

This Memorandum of Understanding is entered into pursuant to the Meyers-Milias-Brown Act (Government Code Sections 3500-3510) and has been jointly prepared by the parties.

**Section I. Recognition**

**Union Recognition.** The Professional and Vocational Employees Division of Teamster Local 856, I.B.T., hereinafter referred to as the Union, is recognized as the majority representative for all employees assigned to the classifications set forth in Exhibit "A" (which is attached and made a part hereof), and is the only employee organization entitled to meet and confer in good faith on matters within the scope of representation for employees in such unit; provided, however, that the foregoing shall be inapplicable in the event such recognition is revoked, pursuant to Resolution No. 1970-20 or Section 30 of this Memorandum of Understanding.

## **Section 2. Union Security**

### **Section 2.1 Dues Deduction: Modified Agency Shop**

#### **(a) Dues Deduction**

(1) The Union may have the regular dues of its members within the representation unit deducted from the employees' pay checks under procedures prescribed by the City Finance Director for such deductions. Dues deductions shall be made only upon signed authorization from the employee on a form furnished by the City.

(2) The dues deduction authorization form for employees in the representation unit covered by the Memorandum of Understanding shall be as follows:

"I hereby authorize and direct the City Finance Director to make a payroll deduction from my earnings once each month for my membership dues in \_\_\_\_\_ (Union) in the amount of \$ \_\_\_\_\_ or such greater or lesser amount for membership dues approved by the Union and as the Union shall request the City Finance Director, who shall be held harmless for following such instruction, to deduct from my earnings, the same to be paid to the Union.

"I understand that I may revoke this authorization during the term of the Memorandum of Understanding executed by the City and the Union on \_\_\_\_\_. I will be able to revoke this payroll deduction authorization by notification to the City Finance Director by registered mail. Unless I so revoke this deduction authorization within such period, the membership dues shall be automatically deducted from my earnings for the full term of such Memorandum of Understanding and succeeding memoranda of understanding. I further understand that if I discontinue my membership in the Union I shall still be liable to the Union for payment of a service fee as required by Memorandum of Understanding.

"The first deduction is to be made on the payroll for the period ending \_\_\_\_\_.

(3) The Union shall hold the City of San Bruno and its officers and employees, including but not limited to the City Finance Director, harmless for following the instructions contained in such dues deduction authorizations. The City shall deliver revocations of membership to the Union on a monthly basis and include verification that receipt was by registered mail.

(4) The City Finance Director shall accept authorization for dues deduction on a monthly basis.

(5) The City shall not be required to collect any special assessments or similar short-time changes in rate.

(6) In the event of the occurrence of a job action, as defined in this Memorandum of Understanding, the City may terminate Union dues deduction.

(b) Modified Agency Shop

(1) Employees assigned to the classifications set forth in Exhibit "A" shall become members of the Union, or in the alternative, shall pay to the Union as an agency fee an amount equal to the customary initiation fee and monthly dues, except for any employee who has timely exercised the right to represent himself/herself pursuant to statute. Dues deduction shall be consistent with the pay schedule used by the City.

(2) In the event of nonpayment of the service fee, the Union shall have the right to bring a civil action against the employee to enforce its rights to such fee. In the event the Union obtains a judgment against an employee for such fee, the Union may exercise the remedies provided by law for collection of the amounts due under such judgment, including wage garnishment, to enforce its rights to amounts owed, plus costs and attorney fees incurred where awarded by the court.

(3) Any employee covered by this Memorandum of Understanding who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support the Union where such religion, body, or sect is recognized by the National Labor Relations Board to hold such objections. Upon presentation of evidence of membership in such religion, body, or sect satisfactory to the City and the Union, which satisfaction cannot be unreasonably withheld, the employee shall be relieved of any obligation to pay the service fee.

**Section 2.2 Communications with Employees**

The Union shall be provided with suitable space on bulletin boards at each work location. The Union may have reasonable space to install its own bulletin boards. Such bulletin boards shall be for posting notices concerning union business. The City shall bear the cost for reasonable replacement of bulletin boards.

### **Section 2.3 Advance Notice**

Except in cases of emergency as provided below in this section, the Union shall be given reasonable advance written notice of any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the City and shall be given the opportunity to meet and confer with the appropriate management representative prior to adoption.

In cases of emergency when the following procedure is not practicable or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter, the Union shall be provided with the notice required in the preceding paragraph and be given the opportunity to meet and confer with the appropriate management representatives.

As used herein, "emergency" shall mean any situation in which proper management of the City requires immediate action, or in which immediate action is necessary for the preservation of life or property.

Written notice of the foregoing matters shall be addressed to the Union President and Secretary-Treasurer. In addition, the Union shall be placed on the regular mailing list for all meetings of the City Council and Planning Commission.

Proper advance notice shall consist of written notice to the designated business agent with a copy to the designated shop steward(s) including Association President. Reasonable notice shall be considered as fourteen (14) calendar days.

### **Section 3. City Rights**

(a) The purpose of this section is to insure that the City is able to carry out its constitutional and statutory functions. The City and its City Council retain and reserve all rights, powers, authority, duty, responsibility, and obligations confirmed and vested in it by state and federal constitutions.

(b) Nothing herein shall be construed to require the City to meet and confer on matters which are solely the function of management and which are not otherwise provided in this Memorandum of Understanding. The rights of the City through its Council and management include, but are not limited to, the following:

- (1) To exclusively determine the mission of its constituent departments, commissions, and boards;
- (2) To set standards of service of the various city departments;

- (3) To determine the procedures and standards of selection for employment;
- (4) To establish grooming standards;
- (5) To lay off its employees from duty because of lack of work and other legitimate reasons;
- (6) To maintain the efficiency of governmental operations;
- (7) To determine the methods, means, and personnel by which governmental operations are to be conducted;
- (8) To determine the content and intent of job classifications;
- (9) To determine the methods of financing of departmental operations;
- (10) To determine the style and/or types of city-issued wearing apparel, equipment, or terminology to be used;
- (11) To determine and/or change the facilities, methods, technology, means, organizational structure, size and composition of the work force, and allocate and assign work by which City operations are to be conducted;
- (12) To determine and change the number of locations, relocating, and types of operations, processes, and materials to be used in carrying out all City functions, including, but not limited to, the right to contract or subcontract any work or operations of the City;
- (13) To assign work to and schedule employees in accordance with requirements as determined by the City, and to establish work schedules and assignments;
- (14) To establish and modify productivity and performance standards for employees, and to require compliance therewith;
- (15) To discharge, suspend, demote, reprimand, withhold salary increases, or otherwise discipline employees for cause;

(16) To take all necessary actions to carry out its mission in emergencies.

It is a major purpose of this section to maximize the flexibility of the City to conduct its day to day operations.

(c) Prior to modification of the following subjects, the City shall meet and confer with the Union:

(1) Minimum qualifications for classifications represented by the Union,

(2) The content and intent of job classifications; provided, however, that it is understood that job descriptions used to describe the various duties of a classification do not preclude employees from being assigned to work not listed as a specific duty of that classification;

(3) Licenses and certificates required for such classifications of employees;

(4) Degrees of training required for such employees;

(5) Grooming standards applicable to such employees;

(6) Productivity and performance standards of such employees;

(7) Styles and types of wearing apparel to be used on duty;

(8) Size and composition of the work force of the Fire Department;

(9) Contracting or subcontracting of operations currently being performed by the Fire Department.

The obligation of the City to meet and confer regarding the foregoing subjects shall not be construed to require that the City and the Union reach agreement prior to the implementation of the types of modifications described in this subsection.

(d) Nothing in this section shall be construed to excuse the City from the obligation to meet and confer with the Union regarding any subject or matter not set forth in this section where required to do so by statute.

#### **Section 4. No Discrimination**

There shall be no discrimination by either Union or City on any basis prohibited by state or federal law or on account of any legitimate union activity.

#### **Section 5. Union Representative**

(a) Union representatives may receive complaints or grievances of employees at the work location during work hours. They shall not interfere with the normal conduct of work or duties of the employees, as determined by the department head.

(b) Activities such as the soliciting of membership, collection of dues, holding membership meetings, campaigning for office, conducting elections, and distributing literature is strictly prohibited during working hours without the prior approval of the City Manager or his/her representative. The Union may solicit membership during the lunch period. For the purpose of this section, "working hours" shall extend from 0800 hours to 1700 hours.

(c) In the event the City believes that the union representatives are abusing the provisions of this section, it shall contact the Union or its representative in writing to arrange a mutually acceptable time and place to investigate the City's complaint and to assure full compliance by the union representative to the extent possible.

(d) Whenever an employee is required to meet with a supervisor and the employee reasonably anticipates that such meeting will involve questioning leading to disciplinary action, the employee shall be entitled to have a union representative present upon request. In the event the employee desires the presence of a union representative, the City will contact the Union to arrange a mutually acceptable time to hold the meeting. Once scheduled, neither party shall be required to reschedule the meeting for the convenience of the other. This provision shall not prohibit the City from taking action if immediate action is necessary.

#### **Section 5.1 Access to Personnel Files**

An employee or upon presentation of written authorization from the employee, an employee's representative shall have specific access to the employee's personnel file upon request and reasonable convenience of the Human Resources Division. Documentation in the personnel file relating to the investigation of a possible criminal offense and letters of reference may be specifically excluded from the inspection and review of the employee or employee's representative. Medical records and information

which would be privileged under state law pursuant to the attorney-client privilege may also be excluded; workers compensation files fall under the attorney-client privilege. Personnel files may only be reviewed in the presence of a designated Human Resources Division staff person.

The City shall maintain a separate employee medical information file. All medical records involving disability medical evaluations, D.M.V. medical evaluations, pre-employment medical evaluation shall be included in the employee's medical information file and shall be open for inspection, including the production of copies thereof, by the employee, or the employee's designated representative.

### **Section 5.2, Personnel Files - Letter of Recordation**

For the purpose of this M.O.U. a Letter of Recordation is understood as a written record placed into an employee's personnel file intended to be either informative in nature or to document in a positive, rather than punitive, manner a notice to the employee for personnel correction of action, which if continued could result in disciplinary action. In the event the employee feels such a record constitutes an adverse comment, the employee may, within thirty (30) days, file a written response. The written response shall then be attached to and shall accompany the Letter of Recordation. A letter of Recordation shall include a statement in bold print that the Letter of Recordation is informative and not punitive.

### **Section 5.3 Implementation of Confidential Employee Health Data Base System**

The City shall ensure that a confidential permanent health file is established and maintained on each sworn department employee. The City and Association shall develop and maintain a health file record that shall include the results of regular medical evaluations, DMV medical evaluations, non attorney-client privileged occupational illnesses or injuries documents, and any known events or incidents that expose an individual to known or suspected hazardous materials, toxic products or contagious diseases. A joint management labor committee shall be established to develop and design the actual data base and approach to be used for maintaining this health data base. Each individual employee shall be responsible for entering their own applicable data and exposure information. The City shall provide copies of formal medical, DMV evaluations, and initial doctors reports only of reported workers compensation reports.

## **Section 6. Salary Plan**

### **Section 6.1 Salary Range**

#### **Historical Footnotes with regard to salary:**

(a) In 1997, the then current two percent (2%) EMT incentive was factored into the base salary and EMT-I certification became the required minimum qualification for the position.

(b) As of December 1, 1998, a new salary range for Fire Captain was established which was six percent (6%) higher than the then current Fire Captain salary range. This adjustment reflects the equivalent of the current six percent (6%) incentive pay for obtaining an A.S. Degree in Fire Science. The new Fire Captain salary range shall be applicable to all Fire Captain personnel as of December 1, 1998 and also for any new appointments to the position of Fire Captain as of that date. As of December 1, 1998, the position of Fire Captain is no longer eligible for the educational pay incentive provisions relative to an AA/AS degree.

#### **Salary Survey Methodology:**

The City and Union agree that the salary for Firefighter and Fire Captain shall be compared to other agencies by review of the following factors: 1) determination of whether an AS degree is required in job description and included in base salary. In those cases, the base salary shall be used for the salary survey; and 2) determination if AS degree is not required as a part of Fire Captain job description but the comparator agency provides educational incentive for a Fire Captain with an AA/AS degree. In those cases, the survey salary shall be the base salary plus the appropriate AA/AS educational incentive pay.

The City and Union agree that survey salaries for those agencies which do not include EMT certification as a minimum qualification shall be determined by using the agencies base pay and its appropriate EMT certification incentive.

Historical Salary Survey Comparison Agencies: Daly City, Pacifica, South San Francisco, Brisbane, Millbrae, San Mateo, Hillsborough, Burlingame, Foster City, Redwood City, South County Fire District, Menlo Fire District, Half Moon Bay Fire District, Woodside Fire District and San Bruno.

## **Salary Adjustments:**

The following salary ranges shall be implemented retroactive to the first pay period beginning after March 1, 2001 based upon the following understandings:

(1) Top-step firefighter salary shall be \$5,817 and includes the 6% (six percent) AA/AS educational incentive pay previously provided. Possession of AA/AS and/or California Paramedic may now be required by the City as a minimum educational requirement for position of Firefighter.

(2) For the duration of this contract, Fire Captain salary shall be 18% higher than that of Firefighter.

### **Firefighter:**

(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)
4740	4989	5251	5527	5817				
4740	4863	4989	5118	5251	5387	5527	5670	5817

### **Fire Captain:**

(1)	(2)	(3)	(4)	(5)
5594	5888	6197	6522	6864

Effective first pay-period after October 1, 2001, salaries for Firefighter and Fire Captain shall be adjusted by 4.5%.

Effective first pay-period after October 1, 2002, salary for Firefighter shall be adjusted by an amount equal to the increase to the average firefighter percentage salary increase in the fifteen (15) historical comparative jurisdictions, measured from August 1, 2001 through and including August 1, 2002. Salary for Fire Captain shall be 18% higher than that of Firefighter.

Effective first pay- period after October 1, 2003, salary for Firefighter shall be adjusted based on the increase in the Consumer Price Index (CPI) [SF/Bay Area 82-84=100/W] with a minimum increase of three percent (3%) and a maximum increase of six percent (6%) with the understanding that if the CPI exceeds eight percent (8%) there will be a salary only re-opener.

Calculation of actual salary shall be as follows:

(1) For the five step range, the range will be calculated by dividing each range step, beginning with top step, by the factor 1.0525.

(2) The City agrees to elimination of a nine step range for the position of Firefighter and return to a 5 step salary plan by moving employees on the nine step plan to the five step plan on the date eligible for a merit salary step increase. The employee will be moved to a step on the 5 step salary plan that provides for at least a five percent (5%) salary adjustment at time of the employee's next merit step eligibility date.

(3) Salary Related: Effective as of August 14, 2001 the City agrees to compensate FLSA Over-time owed employees related to working the 56 hour schedule by use of paying employees the equivalent of 2.735% per pay period in-lieu of the employee submitting for overtime pay related to working the 56 hour schedule. The City agreed to use the approach used by the City of Millbrae. As a part of this agreement, the prior practice of paying actual overtime related to working overtime and reporting it as such on the employee's time sheet ends effective as of August 14, 2001.

## **Section 6.2 Salary Plan Administration**

Employees occupying a position set forth in Exhibit "A" of this Memorandum of Understanding shall be paid a salary within the range established for that position's classification.

### **Section 6.2.1 Salary Plan Administration, Employee Evaluations**

All personnel in this bargaining unit shall receive at least an annual performance review. If an employee has not received his or her performance evaluation within thirty (30) days of its due date, the employee shall be considered as performing in a satisfactory manner.

### **Section 6.3 Salary Plan Administration, Original Appointment**

Except as herein otherwise provided, the salary for a new employee entering the competitive service shall be the minimum salary step for the classification to which the employee is appointed. However, when warranted by special circumstances, the City Manager may appoint a new employee at a salary step other than the minimum step of the respective classification.

The City Manager's decision shall be final. Employees reinstated or reemployed after layoff shall receive a rate within the range established for the class and agreed upon by the City Manager and the employee concerned.

#### **Section 6.4 Salary Plan Administration, Advancement Within Salary Range**

Each employee shall be considered for a salary increase to the next higher step within the range of the assigned classification upon the anniversary of the employee's appointment date or revised salary administration date.

No salary advancement shall be made so as to exceed the maximum rate established in the pay plan for the class to which the advanced employee's position is allocated. Employees hired at the first step of the salary range shall be evaluated for salary advancement after the first six months of service and after additional one-year periods of service thereafter until the employee has reached the maximum rate established. Employees hired at other steps of the salary range shall be evaluated for salary advancement after the first year of service and after additional one-year periods of service thereafter until the employee has reached the maximum rate established. Advancement within the salary range shall generally be made one step at a time. However, the City Manager may, when circumstances warrant it, advance the salary of an employee more than one step at a time.

Advancements shall not be automatic, but shall depend upon increased service value of an employee to the City as exemplified by recommendations of his/her supervising official, length of service, performance record, special training undertaken, or other pertinent evidence.

Advancement to the next higher step within the range of the assigned classification shall be implemented only upon final approval by the City Manager.

Changes in the employee's salary because of promotion or demotion may set a revised salary anniversary date for that employee.

Salary range adjustments for a classification will not set a new salary anniversary date for employees serving in that classification.

Whenever the salary schedule for a position classification is revised, each incumbent in a position to which the revised schedule applies shall be paid at the same step in the revised range as the step at which the employee was paid in the previous salary range.(i.e, if at step 4 of previous salary range, at step 4 of new salary range)

If an employee takes a leave of absence, the time spent away from work shall not be counted toward the completion of the next step. Depending upon how long the individual is away from work, it will move the employee's anniversary date in accordance with the rule (below) that presently determines the anniversary.

## **Section 6.5 Anniversary Date**

This date will be the actual date of hire and not the first of month before or after the 15<sup>th</sup> of the month. Future salary and benefit adjustments for vacation etc., would be made effective the beginning of the pay period in which the employee's anniversary date occurred.

## **Section 6.6 Salary Plan Administration, Salary Step After Promotion or Demotion**

(a) Promotion. When an employee is promote from a position in one classification to a position in a higher classification, and at the time of promotion is receiving a salary equal to, or greater than, the minimum rate for the higher classification, that employee shall be entitled to receive the rate of pay of that certain step in the salary scale of the higher classification which nearest approximates five percent (5%) above the rate the employee has been receiving.

(b) Demotion.

(1) General. When an employee is demoted, his/her compensation shall be adjusted to the salary prescribed for the classification to which s/he is demoted. Where the demotion is not for disciplinary purposes, the City Council may provide for a rate of pay higher than the maximum step of the salary schedule for such classification.

(2) Abolition of position. When an employee is demoted as a result of abolition of position, s/he shall be placed at the salary step in the lower classification which most closely approximates but does not exceed the employee's salary in the higher classification.

(3) Voluntary demotions; demotions resulting from probationary rejections. When an employee takes a voluntary demotion to a position previously held or is reappointed to such a position as the result of a probationary rejection the employee shall be placed at the same step in the lower classification which the employee last held. The employee's service time at such step shall be the same as the service time held previously at such step.

(4) Disciplinary demotions. When an employee is demoted to a lower classification for disciplinary reasons, the specific rate of pay in the salary range of such classification to which the employee shall be entitled shall be determined by the City Manager.

## **Section 6.7 Salary Plan/Acting Pay**

Fire Fighters who are designated by the Chief to assume charge of a station, or a Fire Captain who is put in charge of a shift as an Acting Division Chief, shall receive additional compensation in an amount of ten percent (10%) Acting Pay in addition to the regular salary when assigned for a minimum of three (3) hours retroactive to the first hour when the three (3) hour minimum is met or exceeded. Hours worked in excess of the three (3) hour minimum shall be calculated and paid to the nearest one-quarter hour (15 minutes) increment.

## **Section 6.8 Salary Plan, Pay Periods**

Employees shall be paid bi-weekly in accordance with present practice.

## **Section 7. Filling Vacancies**

### **Section 7.1 Minimum Age**

The minimum age for all new employees in classifications set forth in Exhibit "A" is twenty-one (21) years. Persons of the age of twenty (20) years or over shall be allowed to take examinations and be placed on eligible lists.

Except as otherwise provided in this Memorandum of Understanding, all vacancies in the classes of employment set forth in Exhibit "A" shall be filled from employment lists established as a result of competitive examination.

### **Section 7.3 Announcement**

The announcements shall specify the following:

- (a) The title and salary range of the class;
- (b) The nature of the work to be performed;

(c) Preparation desirable for the performance of the work of the class;

(d) The dates, time, place, and manner of making applications; and

(e) Other pertinent information.

#### **Section 7.4 Application Form**

Applications shall be made on forms provided by the Personnel Officer or designee. Such forms shall require information covering training, experience, and other pertinent information. All applications must be signed under penalty of perjury by the person applying.

#### **Section 7.5 Mandatory Disqualification**

The City Manager as personnel officer, his/her designee, or the Personnel Officer or designee may reject any application if:

(a) The application indicates on its face that the applicant does not possess the minimum qualifications required for the position;

(b) The applicant does not meet the minimum age requirement of the position as of the closing date of the recruitment;

(c) The applicant is neither a citizen of the United States nor possesses the status of a permanent resident alien thereof;

(2) That if the probationer believes s/he has been rejected on account of race, color, ancestry, national origin, religion, sex, marital status, physical handicap, participation in the activities of a labor organization, or the exercise of any right guaranteed to the probationer by statute or constitution, the probationer is entitled to a hearing to determine whether such rejection was, in fact, effectuated upon such invalid basis.

The notice shall advise the probationer that the latter may request such hearing by transmitting to the City Manager in writing not later than the scheduled date of termination, which shall be specified in the notice, a request for a hearing. Such request shall specify the grounds upon which the hearing is requested, as set forth in paragraphs (1) and (2) of this subsection. If the probationer does not request a hearing in the manner prescribed by this section within the period allowed, the probationer shall be deemed to have waived his/her right to such hearing.

(c) The City Manager shall conduct hearings requested pursuant to this section. Promotional appointments can only be made from the first three candidates on the employment list who are ready and willing to accept the position offered.

If, in the opinion of the City Manager, a vacancy in the position could be filled better by an open, competitive examination instead of a closed, promotional examination, s/he may instruct the Personnel Officer to call for applications for the vacancy and arrange for an open, competitive examination, and for the preparation and certification of an eligible list.

### **Section 11.2 Employment Lists**

Employment lists shall become effective upon the approval thereof by the Personnel Officer. (b) No such employee may accumulate more than two-hundred and forty (240) hours of vacation leave. Upon approval of the City Manager, an eligible employee may defer forty (40) hours current vacation leave to the succeeding calendar year. Additional accumulation not exceeding forty (40) hours may be made by permission of the City Manager.

Employees of this bargaining unit shall receive notice of their bi-weekly accrual upon completion of each pay period.

With written permission from the City Manager, employees in this bargaining unit may accumulate 40 hours more than the maximum annual accumulation stated above.

Employees who terminate employment shall be paid in a lump sum for all unused vacation leave in accordance with the provisions of this section upon or prior to the date of termination.

No additional vacation leave credit will be earned should an employee exceed their maximum accrual hours set forth above. Employees will be provided an opportunity to request consideration to exceed this level if they have documented plans for use of vacation leave with a reasonable time period subject to approval by the City Manager or upon recommendation of the Fire Chief if the department is not able to allow an employee to use vacation leave time.

(c) The City Manager may require any employee to use at least eighty (80) hours vacation leave in a calendar year to the extent such vacation leave has been accumulated.

(d) Employees who terminate employment shall be paid in a lump sum for all unused vacation leave in accordance with the provisions of this section prior to the date of termination.

(e) The times during the year at which an employee shall take vacation shall be determined by the Fire Chief with due regard for the wishes of the employee, and with particular regard for the needs of the department. When conflicts arise, seniority shall govern.

#### **Section 17.2 Vacation Allowance: 56 Hour Shift Personnel**

(a) Each employee assigned to work a shift who on the most recent anniversary date of his/her employment shall have been in the service of the City for a period of one (1) year or more shall be entitled to an annual vacation equivalent to the following number of shifts with pay for the following periods of service prior to such anniversary date:

YEARS OF SERVICE	NUMBER OF SHIFTS	EQUIVALENT NUMBER OF HOURS
1 - 5	6	144
6 - 10	8	192
11	8.5	204
12	8.75	210
13	9.17	220
14	9.5	228
15	10	240
16 - 20	10.5	252
21 - 24	10.92	262
25 and more	11.33	272

(b) The City shall schedule each employee's annual vacation period and holiday time to commence with the shift immediately following his/her four (4) consecutive off periods in his/her established duty cycle; provided, however, that an employee may commence his/her vacation on a different shift with the approval of the Fire Chief.

(c) If the needs of the department can be accommodated as determined solely by the Fire Chief, employees on shift may be permitted to split their vacations into two (2) or three (3) periods of approximately equal duration. Seniority will control the selection of vacation periods.

(d) Shift employees who terminate employment shall be paid in a lump sum for all unused vacation leave in accordance with the provisions of this section.

(e) Shift employees may be permitted to accumulate up to but no more than four hundred and twenty (420) vacation hours. Those shift employees who have

accumulated more than the total hours permitted shall be assigned dates in which to take excess vacation hours over the 420 hours permitted by the Fire Chief.

Employees of this bargaining unit shall receive notice of their bi-weekly accrual upon completion of each pay period.

With written permission from the City Manager, employees in this bargaining unit may accumulate 40 hours more than the maximum annual accumulation stated above.

Due to the nature of the vacation planning calendar process, the City shall give consideration to the situation where an employee who has scheduled vacation leave time on the department planning calendar and who exceeds the maximum accrual level in the interim time period but will be under the maximum accrual level upon using his or her scheduled time off. Note: use of this clause requires that the employee have scheduled such time during the annual vacation/holiday planning period.

Employees who terminate employment shall be paid in a lump sum for all unused vacation leave in accordance with the provisions of this section upon or prior to the date of termination.

No additional vacation leave credit will be earned should an employee exceed their maximum accrual hours set forth above. Employees will be provided an opportunity to request consideration to exceed this level if they have documented plans for use of vacation leave with a reasonable time period subject to approval by the City Manager or upon recommendation of the Fire Chief if the department is not able to allow an employee to use vacation leave time.

### **Section 17.3 Vacation and Holiday Accruals**

(a) The existing seniority selection process for vacation and holidays which temporarily allows negative or positive accrual balances shall be maintained, but no negative balance shall be permitted to exceed 84 hours. As used herein, a "negative balance" means an excess of time used over time accrued. A "positive balance" means an excess of time accrued over time used.

(b) The City shall have the right to continue to use a computerized method of recording vacation and holiday accruals on a pay period basis and to report balances to employees with their paychecks.

(c) In the event an employee terminates his/her employment with the City with a negative balance, the City may withhold a sufficient sum from his/her final payment of compensation to eliminate such balance, and to the extent that such method is insufficient to eliminate such balance the employee shall be responsible for any

necessary reimbursement to the City. Correspondingly, the City agrees to pay all positive balances to employees who terminate their employment.

#### **Section 17.4 Catastrophic Leave Program**

The City shall provide for a Catastrophic Leave Program as a part of the city's administrative policy directives as developed by the City Manager. The City agrees to meet and confer with the Union as to any changes in this administrative procedure.

#### **Section 18. Leave Time Programs**

##### **Section 18.1 Sick Leave**

(a) Sick leave shall not be considered a privilege which an employee may use at his/her discretion, but shall be allowed only in case of necessity and actual sickness or disability, except as provided in subsection (e). In addition, sick leave may be used by an employee, subject to the limiting conditions outlined in Section 18.2, Bereavement Leave, upon the death of an aunt, uncle, nephew, niece, great-grandchild or great-grandparent.

(b) For shift personnel, sick leave shall be accrued at a rate of twelve (12) hours for each calendar month of service. For employees on a 40-hour workweek, sick leave shall be accrued at a rate of eight (8) hours for each calendar month of service.

(c) There shall be no limitation on the amount of sick leave which an employee may accumulate.

(d) Sick leave, vacation leave, and holiday leave shall not accrue when the employee is on leave without pay.

(e) Sick leave may be used for any disability, whether temporary or permanent, by injury or illness arising out of and in the course of the duties of the employee. In the event sick leave is taken by an employee instead of a leave of absence for industrial disability granted by state law where there is a bona fide dispute between the City and the employee as to whether the disability is industrial, and such dispute is resolved in favor of the employee, any sick leave which was erroneously deducted from the employee's accumulated sick leave shall be restored to the employee.

(f) Procedure In order to receive compensation while absent on sick leave the employee shall notify his/her immediate supervisor prior to 5:30 a.m. If the employee becomes ill while away from his/her residence the employee shall notify the supervisor of his/her location, including address and telephone number. If

circumstances permit, the employee's supervisor may direct the employee to return to his/her residence. The supervisor shall not unreasonably require the employee to return to his/her residence.

(g) Availability for notification

(1) An employee who is absent on sick leave is expected to be available to answer telephone calls by or from his/her supervisor in relation to the illness, injury, disability, or work-related matters. No employee shall unreasonably refuse to answer a telephone call from a supervisory employee for such purpose.

(2) An employee who is absent on sick leave who within one (1) year of such absence has been notified in writing by the department head that the amount of sick leave used by the employee is excessive or is an abuse of the sick leave privilege is also expected to receive visits by or from his/her supervisor in relation to the illness, injury, disability, or work-related matters. No such employee shall unreasonably refuse to receive a visit from a supervisory employee for such purpose.

(h) Signed statement When an employee has been absent on sick leave, upon return s/he shall submit to the department head a personally signed statement indicating the nature of the illness, injury, or disability. Such shall be on the form prescribed by the City for such purpose which is currently in use.

(i) Medical certificate When an employee returns after an absence on sick leave for more than one shift, the department head may require him/her to submit a certificate signed by a licensed physician indicating the nature of the illness, injury, or disability, in addition to the signed statement required pursuant to subsection (j). If an employee has within one (1) year of an absence on sick leave been notified in writing by the department head that the amount of sick leave used by the employee is excessive or is an abuse of the sick leave privilege, the department head may require such employee to submit such a certificate when the latter returns after absence of one shift or more. The City agrees to pay for the cost of obtaining said certificates to the extent that the employee's health insurance coverage does not do so.

(j) Suspension of sick leave When, in the sole opinion of the City Council, a job action exists, it shall have the authority to suspend the use of sick leave benefits for the duration of the job action, retroactive to the beginning of such job action. As used herein, "job action" includes, but is not limited to, any strike, slowdown, stoppage of work, curtailment of production, concerted refusal of overtime work, refusal to operate designated equipment, or to perform customary duties due to any labor dispute, or any concerted refusal to appear at any assigned work station because of claimed or asserted sicknesses or disabilities.

(k) Termination of employment Upon termination of employment as a result of retirement, death, or abolition of position, the following amount of unused sick leave shall be paid on termination of employment: (1) Employees who have completed 20 or more years of City service as a full-time employee: fifty percent (50%) of unused sick leave, or 864 hours, whichever is less; (2) Other employees: fifty percent (50%) of unused sick leave, or 720 hours, whichever is less. The effective date of such retirement shall not be deferred by the allowance of the employee to use his/her accumulated sick leave, but such employee shall be required to take the lump sum payment for unused sick leave as soon as and to the extent possible.

(l) Family sick leave With the approval of the department head an employee may use up to three (3) twenty-four (24) hour shifts (or, in the case of an employee working a 40-hour workweek, up to twenty-four (24) hours) each calendar year of paid sick leave when illness of a member of the immediate family of the employee residing with the employee's immediate household requires the employee to take care of the sick person. For the purpose of this section, the term "immediate family" shall be restricted to father, mother, brother, sister, spouse, domestic partner, child, mother-in-law, father-in-law, grandparents, grandchildren, step-children, foster children, great-grandparents, and great-grandchildren. In the event the employee is relieved of this required presence before 8:00 p.m. (in case of a shift employee) the employee shall notify the designated Fire Captain at Station 51 and shall report to duty to complete the shift. (Example: a fire fighter with a working spouse may be called off duty to tend for his/her child, but could be relieved by the spouse when the latter returns from his/her work.)

## **Section 18.2 Bereavement Leave**

In the event of a death in the immediate family of an employee, the employee shall, upon written request to the department head, be permitted to use bereavement leave within a 72-hour period, as is necessary to make arrangements for the funeral and attend same. The number of hours of bereavement leave used for such purpose shall depend upon the particular work scheduled to which the employee was assigned during such 72-hour period.

This provision does not apply if the death occurs during the employee's paid vacation or while the employee is on leave of any kind. Only in the event that the funeral takes place at a location more than 150 miles away from the City of San Bruno will reasonable time off for travel be allowed, not to exceed one (1) regularly scheduled

work shift. For the purposes of this provision, the immediate family shall be restricted to father, mother, brother, sister, spouse, domestic partner, child, mother-in-law, father-in-law, grandparents, grandchildren, step-children and foster children.

Bereavement leave applies only in the instance in which the employee attends

the funeral, or is required to make funeral arrangements but is not applicable for any purpose, such as settling the estate of the deceased.

The City Manager may grant bereavement leave for deaths of other persons if s/he determines that special circumstances are applicable.

### **Section 18.3 Jury Duty Leave; Leave for Court Appearances**

(a) Any employee who is called and required to serve as a trial juror shall be entitled to absent himself/herself from his/her duties during the period of such service or while necessarily being present in court as a result of such call. Under such circumstances, the employee shall be paid the difference between his/her full salary and any payment received except travel pay, for such duty. Whenever an employee receives a written notice from a court indicating that the employee will be subject to jury duty within a specified period of time s/he shall furnish the employer a written copy of the notice from the court as soon as practical. If such employee is subject to being called in to the court for jury duty on a stand-by basis s/he shall so inform the officer in charge.

(b) When, in the opinion of the Fire Chief, an employee's absence from duty would pose an undue burden or hardship upon the efficient operation of the department, the Fire Chief may request relief from the appropriate agency for the employee serving as a juror.

(c) An employee who has been subpoenaed as a witness in his/her official capacity shall be paid:

(1) His/her regular salary, less any witness fee received, if s/he is required to appear as a witness while scheduled to be on duty, or

(2) One and one-half (1-1/2) his/her regular salary, less any witness fee received, if s/he is required to appear as a witness while scheduled to be off duty.

(d) An employee who has been subpoenaed as a witness in his/her private capacity shall not be paid for the time s/he is not on duty, but may use compensatory time, vacation time, holiday time, or shift exchange.

(e) In the event an employee is relieved of his/her required presence as a juror or a witness prior to 8:00 p.m. on a day when s/he was regularly scheduled to work a shift, s/he shall notify the officer in charge and report to duty to complete the shift.

#### **Section 18.4 Leave of Absence**

(a) The City Manager may grant a permanent employee a leave of absence with or without pay or benefits not to exceed one year. A request for such leave shall be in writing and shall be approved or denied by the City Manager in writing.

(b) The City Manager may terminate such leave of absence prior to scheduled expiration of the leave upon notice to return to duty if s/he determines that the circumstances justifying the leave do not exist or if the needs of the City justify termination of the leave.

(c) Upon expiration of a regularly approved leave, or within ten (10) days unless an extension or need for an extension is identified and approved by the City Manager, the employee shall be reinstated in the position held at the time leave was granted. Failure on the part of an employee on leave to report promptly at its expiration, or within ten (10) days after notice to return to duty, shall be cause for discharge.

An employee who has requested a leave of absence for medical reasons may be required to complete a fitness for duty evaluation to determine that the employee is capable of performing the duties of the job. The employee shall submit a medical certificate which indicates the employee's personal or treating physician is releasing them to return to duty. Any limitations or exceptions must be included in the medical certification. The City of San Bruno reserves the right, at its expense, to send the employee to a physician of its choice for further evaluation. The final determination as to whether the employee is fit for duty shall be made by the City Manager or designee.

#### **Section 18.5 Pregnancy Condition**

Pregnancy itself is by definition a medical condition. As such, an employee who is pregnant and under medical treatment for such condition or related situation, has the option to utilize several different leave benefit programs. In addition, there are provisions in California State and federal law which make leave without pay available to parents as a result of the birth or adoption of a child. As such, a combination of leave options are available for an employee to use as best fits their individual needs including those listed below. An employee should consult the appropriate MOU sections and/or city administrative policy directives as developed by the City Manager which governs those benefits or programs for applicability:

(a) Sick leave as provided for by the City for employee use when medically required. Doctor's certification required.

(b) Vacation leave when used in accordance with existing use provisions.

(c) Compensatory Time Off or administrative leave available to the employee in accordance with existing use provisions.

(d) In addition, the City shall provide leave time and/or benefits in accordance with the provisions of current and/or future California State law and federal law governing the birth or adoption of a child, parental leave rights and/or an individual employee's medical condition.

The details and procedures outlining the City's compliance with these state and federal policies shall be outlined in city administrative policy directives as developed by the City Manager.

As an illustration, the maximum possible combined leave entitlement for both pregnancy disability leave (under FMLA and Government Code Section 12945, subdivision (b) (2) and CFRA leave for reason of the birth of a child is four months and 12 workweeks. This assumes that the employee is medically disabled by pregnancy, childbirth or related medical conditions for four (4) months and then requests, and is eligible for, a 12 workweek CFRA leave for reason of the birth of her child)

#### **Section 18.6 Industrial Disability Leave**

Industrial disability leave for Fire Fighters and Fire Captains shall be governed by Section 4850 of the Labor Code, as presently worded or subsequently amended.

#### **Section 18.7 Military Leave**

(a) Military leave shall be provided for in accordance with state law and federal law. All employees entitled to military leave shall give the appointing power an opportunity within the limits of military regulations to determine when such leave shall be taken.

(b) Military leave shall be provided for in accordance with state and federal law. Any organizational requirements shall be contained in either the departmental or city administrative policy directives as developed by the City Manager.

### **Section 19. Health and Welfare Related Benefits**

#### **Section 19.1 Medical, Dental and Vision Insurances**

Each regular full-time employee and each permanent part-time employee of this unit shall become eligible to participate in "Teamsters Local Union No. 856 Health and Welfare Trust Fund," provided, however, that participation in the fund shall not be denied to eligible employees who are not members of the Union. Temporary employees and temporary part-

time employees who are employed by the City for a period of ninety (90) days shall also be eligible to participate in said fund.

For purposes of providing health and welfare benefits for regular full-time and permanent part-time employees subject to this MOU the City shall contribute an agreed upon amount to the trust fund on a monthly basis on behalf of each eligible employee for actual costs incurred by such Fund to provide and maintain at existing levels of coverage hospital, medical, dental care, prescription drugs, vision care, and retiree health benefits.

(a) The City presently makes a monthly contribution to the Teamsters Local 856 Health and Welfare Trust of \$577.90 per month on a composite rate for each eligible employee for the actual costs incurred by the Fund to provide and maintain the existing level of health and welfare coverage, including provision for domestic partner coverage.

(b) The City agrees to provide for subsequent future annual adjustments to the contribution for health and welfare benefits of:

(1) Up to \$616.00 per month with documentation required, effective November 1, 2001

(2) Up to 4% adjustments effective November 1, 2002 and 2003, with an understanding that the rate structure would be comprehensively reviewed for all City bargaining units for November 1, 2004.

(c) In the event the agreed upon maximum contribution rates are not required by the Fund to cover its actual costs incurred, the City agrees that any carryover may be applied to subsequent year(s) Health and Welfare contributions during the life of this contract. Should the monthly contribution rate requested by the Fund exceed the four percent (4%) level and any applicable carry over amount, the City agrees to meet and confer with the Union regarding the amount of contribution. The City shall consider all relevant plan experience when reviewing requested rate increases by the Fund for the year(s) 1998, 1999, and 2000 adjustments. Supporting documentation relevant to the costs incurred by the Fund as it relates to provision of benefits for eligible employees shall be provided prior to the obligation to meet and confer on this issue.

(d) Health and Welfare contribution adjustments after March 1, 1998 will be made annually as of the first of November 1998, 1999 and 2000 respectively. The Union shall submit a request for contributions up to the maximum allowable amount by October 1 annually of each year. Such request shall be supported by evidence of Trust Fund documentation reflecting actual increased costs. No other adjustments shall be permitted during the term of MOU.

(e) It is agreed that the above identified amounts are maximum amounts which may be exceeded only by any carryover amount from prior year's premium not needed.

(f) An eligible employee with respect to whom monthly contributions are required shall mean any employee on the payroll on the first day of any calendar month who has been on the payroll of the City eighty (80) hours or more during the preceding calendar month. Said contribution shall institute full compliance with and full performance of all obligations of the City to provide health and welfare benefits for its employees.

(g) During the term of this MOU the parties herein reserve the right to request the other party to meet and confer on the subject of this section for the purpose of reviewing and considering a competitive proposal from the requesting party for the obtaining of equal or comparable health and welfare benefits for covered employees at no additional or less cost to the City.

(h) The City agrees to discuss with Union the development of a trust fund or annuity with a third party provider such as PEBSCO or other vendor to allow employees to use sick leave payoff at retirement as a vehicle to provide for contributions for retiree medical coverage as a side issue outside these negotiations

## **Section 19.2 Life Insurance**

(a) The City shall provide, at its expense, a term life insurance group policy for Fire Fighters and Fire Captains in an amount equal to the employee's annual base salary as stated in "Exhibit A" of this MOU. (b) Said employees shall be entitled to purchase, at their own expense, additional term life insurance to the extent permitted by the policy carrier under such terms and conditions as are customarily imposed by such carrier in its normal course of business.

## **Section 19.3 PERS Retirement Membership:**

(a) Employees in the classification of Fire Captain and Firefighter shall continue to be covered by (2%) at age fifty (50) retirement benefit option provided through the Public Employees Retirement System (PERS) and the 1959 Survivors' Benefit (Level IV). Final compensation for purposes of calculating retirement benefits shall be based upon the highest average annual compensation earned by the employee the last consecutive year of employment preceding the date of retirement.

(b) The City agrees to offer the 3% @ 50 PERS option in the second year of a four year agreement with the understanding that the City's cost exposure is neutral and therefore the City agrees to pay up to 11.254% of the agency's contribution rate for this program. This

commitment is made with the understanding that the Union and City shall meet and confer as to the allocation of any employee cost in excess of the 11.254% paid by the City. Cost allocation could be, but is not limited to, employee payroll deduction, salary deferral, or other such options agreed upon at that time.

It should be noted that concurrence with other bargaining units including Public Safety Mid-Management Employee Association and Fire Unit are necessary to implement this change. The City is not agreeable to a separate Police and Fire PERS retirement plans.

(c) In 1998 the City agreed to offer Level IV 1959 Survivor's Benefits for local fire members. It was understood that there was an increased cost to both the employer (agency) and member (employee) rate. The association has agreed that all employees in the bargaining unit shall be responsible, through payroll deduction, for paying both the appropriate member (employee) rate for this program and any employer contribution which exceeds \$2.50 per month. As of this date, current employee cost is projected to be \$2.00 per month and current employer cost is projected to be \$8.50 per month resulting in an individual employee payroll deduction of \$8.50 per month. These costs may change by implementation date and the then current costs shall be used to determine the accurate employee payroll deduction amount.

#### **Section 19.4 Deferred Compensation Programs**

Consistent with the provisions of Resolution No. 1984-48 Authorizing and Approving a Deferred Compensation Plan for Participating Employees and Replacement of Resolution No. 1983-42, the City shall permit employees of the bargaining unit, to the extent permitted by law, to voluntarily participate in one of the City's designated deferred compensation programs.

(a) No mandatory City contributions to such plans or administrative expense shall be required of the City. Costs charged to an employee's individual deferred compensation account by the plan provider shall not be deemed to be an administrative cost of the City.

(b) The City agrees to meet and confer with the union, at their request, should the Internal Revenue Code be amended so as to adversely impact the intended purpose of the adopted deferred compensation program. However, it is understood that the City must adhere to all Internal Revenue Code provisions and regulations applicable to a deferred compensation program.

#### **Section 19.5 Long-Term Disability (LTD) Insurance**

The City agrees to include personnel in this bargaining unit in a City-wide Long-Term Disability (LTD) insurance program provided at the City's expense.

Employees are eligible to receive up to a total maximum of 7.5% in Education and Certification Pay. Education and Certification Incentive Pay shall be paid on the employee's base salary rate and shall only be paid if the employee obtains and maintains certification(s) which have an expiration date.

Those firefighters without an AA/AS would be grand-fathered in and the new minimum job requirement for firefighter would be paramedic certificate and/or related AA/AS degree.

## **Section 21 Tuition Reimbursement Program**

Effective July 1, 1994, the City will provide reimbursement for a combination of tuition and books at a rate of \$75/semester unit to a maximum of \$1,800/year over a consecutive 12 month period. Said uniform allowance shall continue to be paid in a lump sum distributed no later than September 1 annually. The Uniform Allowance shall be increased by

the CPI index for the month of February (January CPI Index no longer published for SF) in September 2001, 2002 and 2003 respectively. The CPI adjustment factors shall be the same as used in the salary adjustment language.

The City shall pay the employee's PERS contribution for uniform allowance.

An employee hired after the adoption of this Memorandum of Understanding shall receive an initial uniform allowance in the amount specified in subsection (b) on or about his/her date of hire. Effective as of August 2001, the City is agreeable to development of such a concept as a bilingual pay program with a 2.5% level of incentive pay.

**Section 24. Discipline**

(a) The City may discharge, suspend, or demote any employee who has completed the probationary period for cause. No employee shall be discharged unless a written warning notice shall previously have been given to such employee regarding the employee's work or conduct, except that no such prior warning shall be required if the cause for the employee's discharge is a serious incident of dishonesty or insubordination, or use of illicit drugs, use of alcoholic beverages related to employment, or failure to perform as required.

(b) In cases where a prior warning notice is required prior to discharge, such discharge shall not necessarily have to be based on the same type of misconduct as that which gave cause for the prior warning notice. Any discharged, suspended, or demoted employee shall be furnished with the reasons for such action in writing, with a copy of such letter furnished to the Union.

**Section 24.1 Letters of Reprimand Not Subject to Grievance Procedure**

Notwithstanding any other provision of this MOU, a Letter of Reprimand issued by the City to any employee shall be handled only in accordance with the provisions of this section, and shall not be subject to the grievance procedure as provided in Section 28.

(a) The employee shall have (30) days within which to file a written response. Such written response shall be attached to, and shall accompany the Letter of Reprimand.

(b) Upon written request of the employee, a Letter of Reprimand shall be purged from the employee's work record after retention for a period of twenty-four (24) months. This provision shall include removal of Letters of Reprimand issued prior to January 1, 1993.

(c) Within ten (10) calendar days after receipt of a Letter of Reprimand, the employee may, in writing, appeal such to the City Manager for administrative review. The City Manager shall, after affording the employee the opportunity to personally meet with him or her, consider the basis for issuance and such written and/or oral objections presented by the

employee. Thereafter, the City Manager shall either affirm, rescind, or otherwise modify the disciplinary action.

(d) In the event a Letter of Reprimand issued subject to this section is subsequently used to evidence that progressive disciplinary action has been considered in determining the extent of a more severe disciplinary action, such letter(s) with any employee response attached thereto as provided in paragraph (a) of this section, shall be submitted on appeal to the reviewing authority for such consideration as the reviewing authority deems appropriate.

## **Section 25. Pre-disciplinary Conferences**

(a) No regular employee shall be demoted, suspended, or discharged for a disciplinary purpose except in accordance with the provisions of this section; provided, however, that this section shall not apply to suspensions of less than five (5) days for employees working forty (40) hour workweeks, or to suspensions of less than three (3) shifts for shift employees.

(b) Whenever the City Manager proposes to demote, suspend, or discharge a regular employee in a case in which this section is applicable, the City Manager shall conduct an informal conference at which the employee shall have the right to respond to the charges. The City Manager shall provide the employee with written notice of the conference not less than five (5) days prior thereto. The notice shall state the nature of the proposed disciplinary action and the reasons therefore. The notice shall also include a copy of the charges and materials upon which the proposed action is based.

(c) At the conference, the employee shall have the right to present an oral and/or written response to the proposed action. Thereafter, the City Manager shall determine, based upon such response and the materials upon which the proposed action was based, whether to impose the action initially imposed, lesser action, or to take no action. The City Manager shall promptly notify the employee in writing of such decision.

(d) If, prior to the conference, the employee presents to the City Manager a written request that the City Manager disqualify himself/herself from conducting the conference due to bias or prejudice, the City Manager shall assign a designee having no supervisory control over the employee to conduct the conference. At the conclusion of the conference, the conference officer shall recommend to the City Manager the disciplinary action to be taken, if any, and the City Manager shall make the necessary determination and promptly notify the employee in writing of such decision.

## **Section 26. Suspension**

### **Section 26.1 Suspension without Pay**

An employee in a classification of employment set forth in Exhibit "A" hereto may be suspended without pay for a disciplinary purpose.

(a) Division Chiefs shall have the power to suspend a subordinate employee without pay for not more than one work day or one work shift. The supervisor shall immediately notify the department head of the suspension. The department head shall have the power to rescind the suspension. The department head shall immediately notify the City Manager of the suspension in writing. The City Manager shall have the power to rescind the suspension, overturn a decision of a department head to rescind the suspension, extend the suspension, reduce the suspension, or issue oral or written reprimand in lieu of suspension.

(b) A department head shall have the power to suspend a subordinate employee without pay for not more than five work days (in the case of an employee working a 40-hour workweek) or two shifts (in the case of an employee working shifts). The department head shall immediately notify the City Manager of the suspension in writing. The City Manager shall have the power to rescind, extend, or reduce the suspension, or issue oral or written reprimand in lieu of suspension.

(c) The City Manager shall have the power to suspend a subordinate employee for an amount of time the City Manager deems appropriate.

(d) It is the intent of this section to allocate to the department head and to Division Chiefs the power to impose minor suspensions without the approval of the City Manager, but with immediate notice to him/her, to enable the department head and supervisors to take immediate action to remedy employee misconduct which may pose an immediate threat to the health, safety, or welfare of other employees or to the public at large.

### **Section 26.2 Administrative Leave With Pay**

Division Chiefs, a department head, or the City Manager shall have the power to place a subordinate employee on Administrative Leave With Pay status pending investigation of a matter in which the employee may be involved which may lead to disciplinary action against him/her, or pending consideration of possible disciplinary action against him/her, or where his/her continued presence would, in the judgement of the supervisor, department head, or City Manager, jeopardize his/her health or safety or that of others. A Division Chief placing an employee on such leave shall immediately notify the department head, who shall immediately notify the City Manager. The City Manager has the power to rescind, extend or otherwise modify the employee's status.

## **Section 27. Grievance Procedure**

(a) **Definition.** A grievance is any dispute which involves the interpretation or application of any provision of this Memorandum of Understanding during its term, or any provision of the Personnel Rules, or written rules of the Fire Department. All ordinances, resolutions, rules and regulations, the subject of which is not specifically covered by this Memorandum of Understanding, the Personnel Rules, or the Fire Department rules, are excluded from the grievance procedure, and are not covered by the procedures set forth in this section.

(b) **Initial presentation.** The initial (first level) presentation of a grievance shall be to the immediate supervisor of the employee claiming to have a grievance. The grievance may be either oral or in writing. If made in writing, the grievance shall comply with the requirement of subsection (c) for a formally presented grievance.

(c) **Formal presentation.** The formal presentation of a grievance shall be written and shall state which provision of this Memorandum of Understanding, Personnel Rule, or Fire Department rule has been misapplied to his/her detriment, and shall indicate the redress sought. The grievance shall be signed by the individual allegedly aggrieved, the grievance may be signed by a duly authorized representative of the Union. If the grievance is signed by such Union representative the grievance shall indicate the names of those on whose behalf it is filed and shall state that the Union representative is authorized to file such grievance on behalf of such person. In the event the person to whom the grievance is presented determines that the grievance is defective on its face, s/he shall reply in writing to the filer within seven days after receiving the grievance, indicating in writing the specific defects. The reply shall specify that the grievant has ten days to correct the defects or the grievance shall be deemed to be withdrawn. If the grievance is not corrected within said ten-day period, it shall be deemed to have been withdrawn. This subsection is intended to avoid unnecessary grievances. The failure of an individual to file a grievance in a particular situation does not of itself establish a past practice. The fact that a probationary employee has filed a grievance or has authorized the Union to file a grievance shall not be taken into account by the City in any evaluation of his/her work performance.

(d) **Time limits.** Grievance shall be filed within 15 days of the incident or occurrence about which the employee claims to have a grievance.

(e) **Representation.** The grievant shall have the right at all steps of the grievance procedure to be represented by a person or organization of his/her own choosing.

(f) **Effect of grievance.** The making or filing of a grievance shall not prevent the City or any authorized employee of the City from taking action deemed appropriate, nor shall it have the effect of suspending action previously taken even though the action may involve or be part of the subject matter of the grievance.

(g) Disciplinary matters. In the event an employee feels that a discharge, suspension, or demotion is unjust, the employee shall have the right to appeal the case through the grievance procedure by filing a grievance through the City Manager within ten (10) days from the date the employee was notified of the action. Untimely appeals shall not be entertained under the grievance procedure. Upon the timely filing of a grievance, the provisions of subsections (n) through (r), inclusive, shall apply. The discharge of probationary employees shall not be subject to the grievance procedure.

The decision of the arbitrator on a disciplinary matter grievance shall be final and binding upon the parties, except as provided in this paragraph. The arbitrator shall not substitute his/her discretion for that of the City, and the City's decision or penalty will be upheld unless there has been a clear abuse of discretion on the part of the City.

(h) Days. The time limits provided herein refer to calendar days.

(i) Waiver of time limits. The time limits provided herein may be waived by the mutual consent of the parties.

(j) Department Head; Division Chief.

(1) If Division Chiefs are assigned to work 24-hour shifts, the following provisions of this paragraph shall apply:

A grievance which is not settled at the first level may, within 10 days of the decision of the supervisor, be appealed in writing to the Division Chief. If so appealed, the grievance, unless previously formally presented, shall be presented as provided in subsection (c). The Division Chief shall render his/her decision and comments in writing and return them to the employee within 10 days after receipt of the formal grievance.

A grievance which is not settled at the Division Chief level may, within 10 days of the decision of the Division Chief, be appealed, in writing, to the department head. If so appealed, the grievance, unless previously formally presented, shall be presented as provided in subsection (c). The department head shall render his/her decision and comments in writing and return them to the employee within 10 days after receipt of the formal grievance.

(2) If Division Chiefs are not assigned to work 24 hour shifts, the following provisions of this paragraph shall apply:

A grievance which is not settled at the first level may, within 10 days of the decision of the supervisor, be appealed in writing to the department head. If so appealed,

the grievance, unless previously formally presented, shall be presented as provided in subsection (c). The department head shall render his/her decision and comments in writing and return them to the employee within 10 days after receipt of the formal grievance.

(k) **Power of immediate supervisors and department heads in resolving grievances.** In the resolution, or decision of a grievance, no immediate supervisor, Division Chief, or department head shall modify any procedure or rule within the department unless s/he shall have received the written approval of the City Manager. However, the immediate supervisor, Division Chief, and department head may interpret and apply existing procedures or rules.

(l) **City Manager.** A grievance which is not settled at the department head level may be appealed in writing to the City Manager within 10 days of the decision of the department head. Within 10 days after receipt of the appeal, the City Manager shall set a date, which is not more than 10 days from the date of receipt of the appeal, to meet with the grievant and with other appropriate persons to attempt to resolve the grievance. If a solution is not agreed upon, the City Manager shall render a decision within 10 days of the meeting.

While a grievance appeal is pending before the City Manager, the parties, by mutual agreement, may request mediation. If the parties are unable to agree upon the mediator, they shall request the California State Mediation Service or a suitable alternate to provide a mediator. Costs of mediation shall be divided one-half to the City and one-half to the employee. The mediator or mediating agency shall make no public recommendations, nor take and public position concerning the issues, but shall work directly with the parties involved.

(m) **Arbitrator determination.** A grievance which is not settled by the City Manager may be appealed in writing for final determination by an arbitrator. The written notice of appeal must be filed with the City Manager within 10 days of the date of his/her written decision.

(n) **Selection of arbitrator.** Within 10 days after the filing of the appeal, the City Manager and the grievant shall meet or otherwise communicate to try to select a mutually acceptable arbitrator who agrees to serve. If the parties cannot agree, a list of five arbitrators will be obtained from the California State Conciliation service, American Arbitration Association, or some other source mutually agreed upon. If the parties cannot agree on one of the names from the list, each party (beginning by lot) shall alternately strike one name from the list until one name remains, who shall be the arbitrator if s/he agrees to serve. If s/he will not serve, the process shall be repeated until an arbitrator is found.

(o) **Hearing.** The arbitrator shall promptly hold a hearing and shall issue his/her decision not later than 30 days following the date of the hearing.

(p) **Decision.** The decision of the arbitrator shall be in writing and shall set forth the findings of fact and conclusions on the issues. It shall be submitted to the City Manager and the grievant and shall be final and binding upon the parties.

The arbitrator shall meticulously avoid expanding or contracting the definition of a grievance when the issue of arbitrability is at issue.

(q) Limitation. The authority of the arbitrator to render final and binding decisions on grievances extends only to those matters covered by this grievance procedure and over which the City or a department head may legally delegate its decision-making process.

(r) Costs. The fees of the arbitrator (including any per diem expenses, travel and subsistence expenses), the cost of any hearing room, and the cost of preparing the transcript of the hearing, if any, for the arbitrator shall be borne one-half by the City and one-half by the grievant. All other costs and expenses shall be borne by the party incurring them.

(s) Exclusiveness of remedy. The grievance procedure shall be the exclusive remedy for matters which are grievable thereunder.

## **Section 28. Loss of Driver's License**

An employee whose driver's license is suspended or revoked as a result of the employee's use of drugs or alcohol or moving violations for a period of six (6) months or less so as to prevent the employee from lawfully operating a vehicle during the course of his or her duties, where operating a vehicle is part of the regular course of employment, may be suspended without pay or benefits for that period by the Fire Chief and/or City Manager. The employee may appeal the Fire Chief's recommendation to the City Manager. The City Manager's decision is final. If the loss of such driver's license is attributable to the use of alcohol and/or drugs, the employee shall agree to and shall faithfully participate in a counseling and rehabilitation program agreed to by the City to correct the problem. Failure to agree and to faithfully participate in such program shall constitute a cause for dismissal.

(b) Any suspension or revocation of the driver's license of an employee for a period of more than six (6) months which prevents the employee from lawfully operating a vehicle during the course of his or her duties, where operating a vehicle is a part of the regular course of employment, or any failure of an employee to notify the City of any suspension or revocation of his or her driver's license, regardless of duration, shall constitute a cause for dismissal.

(c) If an employee does not have a valid driver's license for reasons other than suspension or revocation of such license, the City may direct the employee to obtain his or her license within three (3) working day at the Department of Motor Vehicles (DMV). All time missed from work shall be deducted from accumulated vacation, holiday, or compensatory time. If the employee does not obtain his or her driver's license within the required time, the employee shall be treated as if his or her driver's license had been suspended or revoked for a period of six (6) months or less.

## **Section 29. Separate Agreements Prohibited**

The City shall not enter into separate agreements with employees within the bargaining unit as to wages, hours, and terms and conditions of employment, except as to an employee who has undertaken to represent himself/herself as to labor relations with the City in a timely manner.

## **Section 30. Conversion of Accruals Upon 40-Hour Workweek – Shift Reassignments**

(a) Whenever an employee is reassigned from a 40-hour workweek to a shift assignment, or vice versa, the number of hours of accrued vacation, compensatory time, overtime, sick leave, or other accrued time shall be converted by the following formula: 1 hour of time for 40-hour workweek equals 1.4 hours of time for shift assignment.

(b) This section shall have no effect on the rates of accrual set forth in other sections of this Memorandum of Understanding. This section only applies to conversion of hours accrued.

## **Section 31. Shift Exchange**

The following shift exchange policy shall be followed:

(a) The existing request form shall be submitted not less than 48 hours prior to shift exchange.

(b) An employee shall have a right to at least six (6) shift exchanges of duty a year. If the number of shift exchanges causes a management problem, the City and the Union shall meet and confer to agree how this policy can be modified to correct the problem. The City Manager, after meeting and conferring, may reduce the number of exchanges permitted.

(c) If permitting more than six consecutive shifts becomes a management problem, the City Manager will meet and confer with the Union to discuss the problem, and may then unilaterally add the following wording to the Memorandum of Understanding: "In no case by reasons of an exchange of duty shall a person be off duty more than (6) consecutive shifts."

(d) The exchanges of duty shall be on the basis of Captain for Captain, Captain for acting Captain, comparable driver for driver, Fire Fighter for Fire Fighter, Fire Fighter for probationary Fire Fighter (after six months of employment), and probationary Fire Fighter for probationary Fire Fighter including recognition of paramedic staffing. All shift exchanges shall be subject to the approval of the department.

### **Section 31.1 Revised Shift Bid Selection Process**

The City shall provide for a method for the selection of shift, vacation leave and holiday leave as a part of the Fire Department's administrative policy directives as developed by the Fire Chief. The City agrees to meet and confer with the Union as to any changes in this administrative procedure.

### **Section 32. No Strike**

(a) Participation in any job action, as defined in Section 18.1(1) of this Memorandum of Understanding by an employee pertaining to his/her employment with the City of San Bruno shall constitute an automatic resignation from the position, which position shall be deemed for all purposes to be vacant.

(b) If the Union, its officers, or its authorized representatives violate subsection (a) or tolerate the violation of such provision, and after notice to responsible officers or business representatives of the Union such officers or representatives fail to take such prompt affirmative action to correct and terminate the conduct described in subsection (a), in addition to any other law, remedy, or disciplinary action to which it or its officers or representatives may be subject, said organization shall, by action of the City Manager, also be subject to suspension or revocation of the recognition granted to such Union, and the City Manager may suspend or cancel any or all payroll deductions payable to or in behalf of members of such Union, and prohibit or restrict the use of any City facility of any nature whatsoever, and restrict access by said officers or representatives to work or duty stations of employees in the representation unit. Such action on the part of the City Manager shall not be subject to review under the provisions of the grievance procedure.

### **Section 33. CPR Instruction**

CPR instruction will be conducted between the hours of 8:00 a.m. and 5:00 p.m. Should the City in the future consider changing the hours for CPR instruction mentioned above, the City will meet and confer with the Union prior to instituting such change, but reserves the right to make a change in the program after meeting and conferring.

CPR instruction may be taught on an over-time basis dependent on operational needs of the department with the understanding that consideration will be given to ensure training of non-city personnel not interrupted by need for assigned personnel to respond to calls.

### **Section 34. Union Charter**

The Union is permitted to display its charter in a mutually acceptable place in the non-public area of the Central Fire Station.

### **Section 35. Shopping for Meals; Common Mess**

(a) The provisions of this section are adopted to assure that all members of fire companies will be available at all times to respond to emergency calls as quickly and efficiently as possible.

(b) All employees on each shift at each station shall attend a common mess at the station for consumption of meals. Such members shall contribute in equal shares for the cost of the meals. The amount of the contribution and the procedures for its collection shall be established at each station by the Station Fire Captain on each shift, or other designated method when there are multiple captains assigned to a station. The Station Captain may delegate the duty of collecting such contributions.

(c) The Station Fire Captain on each shift at each station shall appoint a cook, who shall be responsible for selecting the menu, supervising the purchase of groceries, cooking, and serving the meals. Members shall be appointed on a rotating basis or otherwise, as determined by the Station Fire Captain.

(d) The Fire Chief or designee shall provide administrative direction regarding provision of common meals. The Station Fire Captain shall determine the most appropriate method, consistent with departmental procedures, for provision of common meals for his or her assigned shift.

(e) The City shall not be financially liable or responsible for the cost of any meal, or the preparation thereof, or for the collection of any funds, or for any other costs undertaken in connection with the provisions of this section.

(f) At any time management believes that the public can be better served by scheduling certain department activities on Saturdays and Sundays when the public is not working, it shall remain free to do so (i.e., home inspections, CPR classes, open houses, etc.)

(g) The right to unilaterally discontinue this policy is reserved.

### **Section 36 Exercise Facility/Equipment Use**

Effective as of 1997, the City and Union agreed to a practice whereby the City purchased ten (10) memberships to a local gym (Club Bayhill Gym in Bayhill Shopping Center) on an annual basis for the purpose of providing an appropriate on-duty physical fitness program for department employees. This program was developed as an agreed upon alternative to the 1996 MOU requirement to provide \$3,000 for purchase of exercise equipment. Exercise scheduling shall be coordinated by shift Fire Captain in a manner which provides operational effectiveness towards the shifts assigned daily workload and the limitations of Club Bayhill Gym.

The City will provide complimentary memberships to department personnel who so request to use the Recreation Center facilities when off-duty.

### **Section 38. Attendance**

Failure on the part of an employee, absent without leave, to return to duty within 24 hours after notice to return shall be cause for immediate discharge, and such employee automatically waives all rights under the Personnel Rules, Regulations, Ordinances and this Memorandum of Understanding. Notice shall consist of a letter by registered mail delivered to the last known address of the employee.

### **Section 39. Past Practices and Existing Memorandum of Understanding**

(a) Continuance of working conditions and practices not specifically provided herein shall not be guaranteed by this Memorandum of Understanding. The City shall not be relieved of its obligation to meet and confer with the Union regarding changes in working conditions and practices where otherwise required by law.

(b) Specific provisions of this Memorandum of Understanding shall supersede all existing and prior memoranda of understanding between City and the Union, Personnel Rules, Regulations, Resolutions, and Ordinances on the same subject.

### **Section 40. Negotiable Benefits**

The inclusion of certain benefits in this Memorandum of Understanding shall not preclude the City and the Union from meeting and conferring and agreement upon other or substituted benefits in subsequent memoranda of understanding.

### **Section 41. Separability of Provisions**

Should any section clause, or provision of the Memorandum of Understanding be declared illegal by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portions hereof, and such remaining portions shall remain in full force and effect for the duration of this Memorandum of Understanding.

In the event of such invalidation, the parties agree to meet and confer concerning substitute provisions for the provisions rendered or declared illegal.

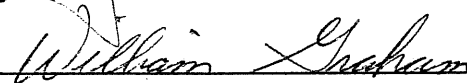

## Section 42. Term

This Memorandum of Understanding, entered into on the 14th day of August 2001, shall remain in effect for those employees employed in the classifications set forth in Exhibit "A" for the period from December 1, 2000 and until November 30, 2004, except to the extent that such Memorandum of Understanding may be modified by the parties during such period, and shall continue in full force and effect until either superseded by a subsequent Memorandum of Understanding or by such other action of the City Council affecting wages, hours, and conditions of employment of the employees in classifications covered by this Memorandum of Understanding.
